Ballet is at the core of the course with additional teaching of Pointe work for the girls, Allegro for the boys, Repertoire, Contemporary and Pilates to help strengthen and improve your technique. You will also get the opportunity to work on new choreography with your classmates under the guidance of a professional choreographer.

Advanced course

This course will be appropriate for advanced level students of RAD Vocational Intermediate or equivalent aged 14+ who are considering entering full time training in the next two years. The advanced version of the Summer Course provides an opportunity for students to have more in-depth coaching and increased contact with Central's teaching staff. Places on the advanced course are limited and applications are accepted at the discretion of the school.
