

Text re Self Registration and Central School of Ballet new Policies

Central School of Ballet is seeking self-registration as an independent Higher Education Provider with the Office for Students and anticipates becoming independent by 1 August 2022 (rather than the 2023 exit date formerly published on our website).

Our courses will continue to be validated by the University of Kent and we will work to ensure this transition has no impact on the learning experience of our students. Updated Central School of Ballet's Policies and Procedures for the academic year 2022 – 2023 are currently under review and will be made available via this page in due course. If we do not self-register by 1 August 2022, our existing and new students will continue to be registered with the Conservatoire of Dance and Drama under their existing Policies and Procedures.
